

Enroll your child in ComputerBees today! Your child will learn basic computer fundamentals and skills in a small group setting!

Tuition is \$35/month

Bee Enriched introduces basic computer skills and literacy to your 2 to 6 year old child in a hands-on setting. Our year round program provides a fun learning experience through computer games and engaging activities.

Bee Enriched Computers introduces: Computers all around us, early keyboarding skills, mouse manipulation, the basic parts and functions of a computer, program navigation, rules and safety issues, vocabulary, and software.

Bee Enriched will also help develop: Social skills, listening skills, problem solving, and fine motor skills.

RETURN THIS PERMISSION SLIP WITH YOUR FIRST MONTH'S PAYMENT OF \$35 FOR YOUR CHILD TO PARTICIPATE!

Yes! My child has permission to participate in Bee Enriched ComputerBees each week.
