The following guidelines from the New Jersey Department of Children and Families will be implemented immediately to ensure we are maintaining a safe environment for families, children, and staff:

- Children and staff will be screened for COVID-19 symptoms prior to entering or being admitted to the center each day.
- Daily temperature and symptom check of staff and children will be done prior to entry; if anyone has a temperature of 100°, or higher, they will not be permitted into the building.
- Children and staff must wash hands upon arrival, and wash hands or use hand sanitizer before and after signing in and out.
- Parents may enter the building to drop off and pick up their child.
- Outdoor play will be staggered, so that we ensure limited children are outside at one time, but still ensure that all children have their outdoor time.
- Students may be combined with another class early morning or later afternoons.
- No tuition credit will be given for illness, holidays, vacations, or absence.
- I have received a copy of and support Apples and Books Learning Center's Health Policy.
- Guidance for New Jersey Child Care Facilities On COVID-19 Related Health and Safety Requirements can be found at https://www.nj.gov/health/cd/documents/topics/NCOV/PH_Recommendations_K-12_Childcare_Camp.pdf

DISCIPLINE POLICY CONTRACT FOR CAMPERS

FOR CHILDREN 5 YEARS OLD AND UP

Apples and Books Learning Center (ABLC) Summer Camp Program strives to create an environment in which children are encouraged to develop an appreciation of their own rights and the rights of others. Each camper is helped to understand the impact of behavior as it might affect others. The campers are encouraged to express their opinions and feelings appropriately. They will also be encouraged to use constructive means to settle disagreements or problems.

Children need to know the rules if we expect them to abide by them. At the beginning of the camp season, the campers, together with the staff, will review the rules. As a result, the campers will know what is expected of them and will understand what appropriate behavior for themselves is and for others, resulting in a safe camp program.

Campers have a responsibility to exhibit self-control on school property and field trips. This can be accomplished if all campers:

- Stay with assigned counselor unless asked otherwise**
- Remain within the area assigned for a specific activity**
- Maintain and respect ABLC property and the property of others**
- Speak to and treat counselors, personnel, and other campers with respect**
- Refrain from using inappropriate or foul language/gestures**
- Avoid placing themselves and others in danger or physical harm**
- Refrain from deliberate or intentional hitting, touching, and bullying**
- Refrain from the use of the internet without teacher approval and supervision**
- Refrain from bringing in any inappropriate or unapproved material**
- Follow ABLC policies**

Campers who choose not to accept these responsibilities are subject to disciplinary action, which includes:

- Verbal warning**
- Time-out from activity**
- Written incident report and parent notification**
- Conference between camper, counselor, site leader and parent**
- Suspension of 1-2 days, depending on severity of incident**
- Expulsion from program**

Consequences will vary according to the frequency, severity, and nature of the incident. No refund will be issued if a camper is dismissed.

ABLC SUMMER CAMP PROGRAM

I have read the above Discipline Policy with my child _____.

We agree that following rules will make this summer a positive and safe experience.
